

**Friends of the Temecula Children's Museum
Sponsorship / Donation Request Form
"Pennypickle's Go Organic Day"**

The Friends of the Temecula Children's Museum is organizing **"Pennypickle's Go Organic Day"** on Saturday, May 2, 2009 from 11 a.m. to 2 p.m.

The purpose of this event is to instruct families - in a fun & hands-on manner – to a greater understanding of where their food comes from; to discover the science and philosophy behind organic and natural foods and other products; and to gain knowledge on how families can help to keep not only their bodies healthy, but to keep the Earth healthy as well.

Sponsorship and in-kind donations for **"Pennypickle's Go Organic Day"** are gratefully welcomed.

Sponsors will be required to provide education about their products in a family-friendly, hands-on manner. Sponsors will also be required to provide either sampling opportunities to the public and/or to donate at least one case of your products to be sold in the museum's gift shop or snack bar as part of our fundraising effort. Sponsors will not be allowed to sell items or products.

This is a wonderful opportunity for you and your company to support the local community and be seen and heard by 400-600 people. There is a \$25 charge for sponsor tables and we ask that if you cannot provide an activity and product donations, you make an additional monetary donation to assist with production costs. Please email friends@pennypickles.org for more details. Information about the Friends of the Temecula Children's Museum may be found at www.pennypickles.org. The Friends is a non-profit, 501(c)(3) organization.
